I engage with the school website, Facebook page and /or What's App.	95.65%		4.35%

Parent / Carer comments.

"Outstanding school"

"Transition to Brookfield school has been smooth and stress free for both myself and *** and the support given by staff is unbelievable! Fabulous staff & school"

"In just a short 3 months we have noticed our daughter *** interacting with us more and she can hold eye contact for 20 seconds or so now which she never done before starting Brookfields. I have another child in a specialist school and don't get as much contact as I do from Brookfields. The whole school community is just so lovely and nurturing 😊"

"My child has settled really well and is enjoying his time there"
