Date: 2nd April 2014

Dear Parents/Carers

SCHOOL MEALS AND SNACK MONEY INCREASE

Unfortunately, due to the rates of food inflation, the price of a school meal will increase to £2.20. This will be effective from Tuesday 22nd April 2014. The weekly cost of school meals will be £11.00. Could you please send payment in each Monday by cash or cheque (made payable to Halton Borough Council).

The cost of snack money will also increase to £2.00 per week as this covers two snack periods per day and refreshments on the weekly minibus outing.

Therefore from 22/04/14, the cost of school dinners and snack money for a week is £13.00.

Could you please ensure that all outstanding dinner monies up to the end of this term are paid by Friday 4th April as they need to be accounted for before school closes.

Many thanks for your cooperation.

W. McClellan
School Business Manager
