

Social Story: Wearing Masks, aprons and gloves

When

I

go back

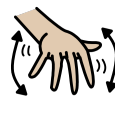

to

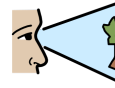

school

I

might

see

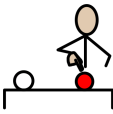

some

people

wearing masks.

This

is

because

the

rules

have

changed

and

now

some

adults

need

to

wear

masks.

I

do not need

to

wear

a mask.

Adults

need

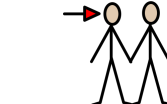

to

wear

a mask

if they

are

on a bus.

Adults

needs

need

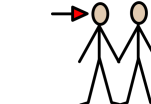

to

wear

a mask

if they

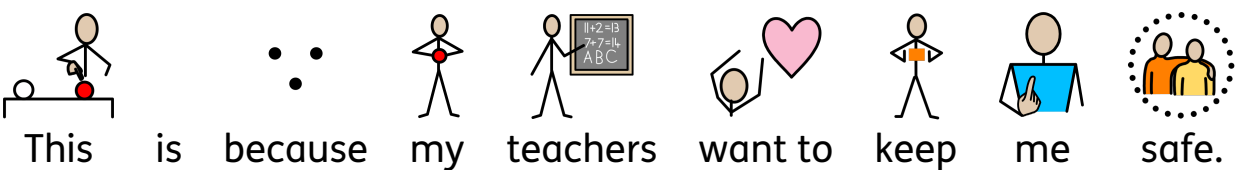

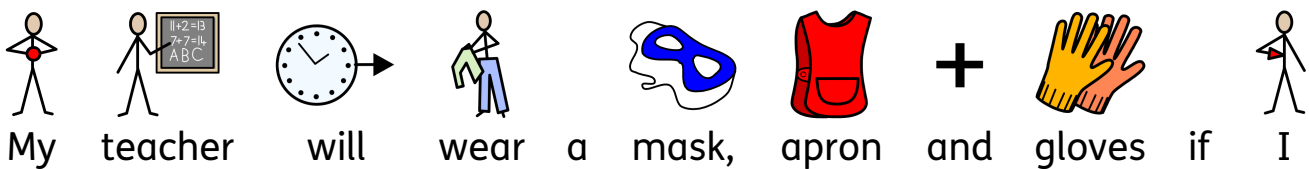

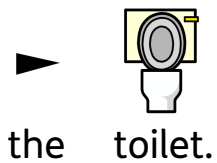

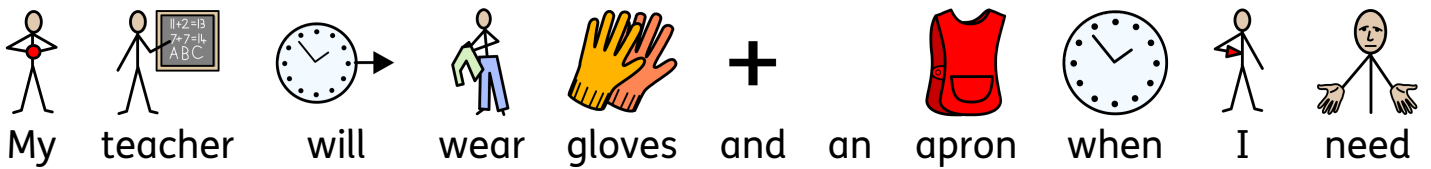

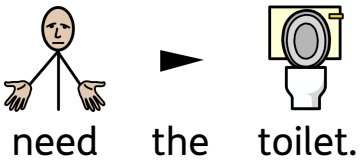

are

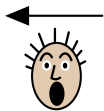

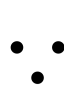

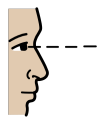

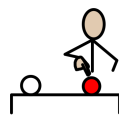

in a

shop.

   or     
I might feel worried or scared because masks make people

   is   am 
look different. This is ok. I am safe.
