

# **Brookfields School Attendance Policy**

#### Introduction:

Regular school attendance is vital for all children. This point is stressed to all pupils and parents when they are first admitted to the school. We need them every pupil to be in school every day if we are to help them achieve their full potential. It is essential for our pupils to attend school every day in order to provide continuity, reinforcement and stimulation to assist their learning.

This Policy sets out the responsibility of the school and all those associated with the School in respect of Attendance and Punctuality.

## **Principles**

The Governors and staff recognise that the maximising of good attendance is a key task for the School, if pupils are to take full advantage of opportunities at the School. The co-operation of all concerned, including parents/carers as well as school staff, is vital to ensure full attendance and good punctual timekeeping. By sustaining a culture in which full attendance and punctuality is the norm, the School will demonstrate to pupils, parents/carers and staff, the value placed by the School on full attendance and punctuality and encourage children to gain the full benefit from their primary education. Emphasis on attendance and punctuality also demonstrates the School's concern for individual children by contacting parents/carers to enquire about any unexplained absence.

#### School Attendance and the Law

Under the 1996 Education Act, parents and carers are responsible for ensuring their children attend school regularly and punctually. Failure to do so could result in legal action being taken against them by the Local Authority.

The register is a legal document and schools must, under the Education (Pupil Registration) Regulations 2006 take a register at the start of the morning session, and again during the afternoon session. Since September 2006, schools have been required to use statutory registration codes. Under the Education (Pupil Registration) Regulations 2006, only the school (and not parents/carers) can authorise an absence. Where the reason for a pupil's absence cannot be established at the time the register is taken, that absence shall be recorded as unauthorised. If a reason for absence is provided by the parent/carer, the school may decide to grant leave of absence which must be recorded as authorised using the appropriate national code.

The Education (Pupil Registration) (England) Regulations 2013 have removed all references to family holidays and leave of absence shall not be granted unless an application had been made in advance and the headteacher considers that leave of absence should be granted due to exceptional circumstances. Headteachers no longer have the discretion to authorise up to ten days of absence. This discretion has been removed by the aforementioned Regulations (2013). Requests must be made on the School's official 'Absence Request Form', which is available from school.

Where a family chooses to take a holiday during term time, the absence will be coded as unauthorised (G code) and a Penalty Notice may be issued to each parent for each. If leave of absence is taken without the request having been agreed, the absence will be recorded as unauthorised. This may result in the Local Authority issuing a Penalty Notice, (£120 per parent, per child / £60 if paid within 21 days), where there have been 10 sessions or more of unauthorised absence recorded. If this penalty is not paid the Local Authority will instigate legal proceedings against the

parent/carer in the Magistrates Court. In compliance with the Education Act 436A (Chapter 2 Part 6) the school will, after making appropriate checks, report all Children Missing from Education to the Local Authority, Education Welfare Service, who has a duty to investigate the whereabouts of such children and negotiate their prompt return to suitable education.

- When the child does arrive late, the parent/carer must accompany the child to the School Office to sign their child in.
- Where a child appears to be having an unacceptable level of absence due to medical reasons, the school may request that medical evidence (such as appointment cards or prescribed medication) be provided to cover all absences. Failure on the part of the parent to provide such medical evidence, will result in absences being recorded as unauthorised and referral to the Education Welfare Service will be considered.

#### **Pupils**

• Children are expected to attend regularly and to be on time for the school day starting

#### **Education Welfare Service**

• The school may refer a pupil to the school's link Education Welfare Officer where attendance remains a concern following school intervention. The Education Welfare Officer will work with schools and families to address attendance issues. However, if attendance fails to improve, legal action may be taken against parents/carers and could include a Penalty Notice, Education Supervision Order or Prosecution.

#### **Procedures**

It is accepted that on occasions it is not possible for a child to attend school, in which case:

- It is the responsibility of the parent/carer to seek authorisation for the absence or to provide an explanation for the absence by way of a letter, a form available from school or its website, or telephone call to the School Office.
- If the School does not receive prior notification or subsequent explanation for the absence, then the School will contact the parents to ascertain the reason.
- Only the Headteacher or Senior Management Team may give approval for absence.
- The parents/carers do not have the right to withdraw their children from school at any time.
- Parents should provide an explanation for absence as soon as possible, with parental contact being made with School before 9.30 am on the first day of absence, providing further information by letter or telephone as necessary
- Messages passed via transport staff will not be accepted and will be followed up by a telephone call
- No child is to leave the school building unless they have permission from the Headteacher or Senior member of staff if the Headteacher is out. If a child becomes ill at school this must be reported to the Headteacher or senior member of staff if the Headteacher is out. The Headteacher or Senior member of staff will decide whether the child is too ill to remain in school.

## **Persistent Absence**

- Pupil absence is monitored on a monthly basis, highlighting those whose attendance falls below 95%. For those below 95%, a letter will be sent to the parents to inform them that their child's absence is causing concern.
- If attendance falls below 90%, parents will be asked into school to discuss the issue. At this stage the EWO Service may also be contacted.

## **Rewards/Celebrations**

At the end of every term, 100% attendance will be celebrated by the presentation of Certificates.

## **Evaluation and Review**

This Policy will be reviewed bi- annually, and will be promoted throughout the school community and shared with outside agencies and partners as required.

Appendix 1: Sample Letter

Dear Parent/Carer,

As part of my regular monitoring procedures, I have to review the attendance of all pupils and seek to clarify any patterns of absence where they occur to the Local Authority. As I am sure you are all aware, absence is a potentially major barrier to a child's learning and parental support in reducing this is greatly appreciated by schools. It is essential for our pupils to attend school every day in order to provide continuity, reinforcement and stimulation to assist their learning.

Our school attendance target is 95%. In a previous letter I informed you that I would contact any parent whose child's absence falls below 95% with a letter of concern.

Currently your child's attendance is \_\_\_\_\_%.

If attendance falls below 90% I will ask you to attend a meeting in school to explain why this pattern has arisen and to see if there is any support that we can provide to assist you in increasing the attendance of your child. Such incidents may also be referred to the school's Education Welfare Officer (EWO) and parents may also be contacted by him if a persistent pattern or problem with attendance or absence is evident.

If you would like to discuss this further, please do not hesitate to contact me at school on 0151 424 4329.

**Yours Sincerely** 

S. Ainsworth Headteacher
