

Scenario Cards

Role-Play Scenario Cards

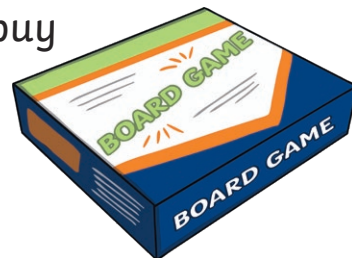

You have just got home from school and have been learning about money in your maths lessons. You have found it quite difficult and your teacher has suggested that if you had some toy money and fruit at home you could practise counting the money and getting change. You really want to find this learning easier so you ask your parents if you can go to the shops to buy some, like your teacher advised.

This resource is fully in line with the Learning Outcomes and Core Themes outlined in the PSHE Association **Programme of Study**.

Role-Play Scenario Cards

You have just returned from your friend's house where you have been playing a new game. You really enjoyed it and would like to buy it so that you have one of your own as well. You ask your parents if they can buy it for you.

Role-Play Scenario Cards

You are the parent to two children who both want you to buy them different things. Listen to what they have to say and think about what you should do.
