

Windy-Day Activity Ideas

Make and fly a kite.

tissue paper, straws, string, tape

Watch the clouds racing across the sky.

Create wind wands.

sticks, tinfoil, ribbons, tape

Explore the force of the wind – run with and then against it!

Explore how leaves of different sizes and shapes fall in the wind.

Make windmills.

card, pencil crayons, split pin, straw

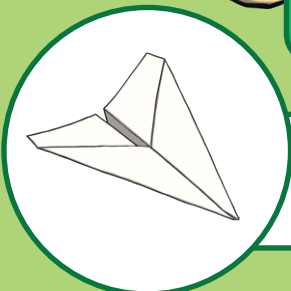

Explore wind direction.

bubbles, flying discs, streamers, paper plates

Make paper planes or paper helicopters to fly in the wind.

Have ball races – which ball gets blown the furthest by the wind?

Create a wind chime.

string, tape, bottle tops/shells/keys/old CDs
