

*The school achieves everything that it sets out to do.*

*Supporting and caring for our SEN children. They make their school journey fun, safe and individually tailored to support growth and development at all times. Brookfields is a family of teachers, support assistants, speech and language and many more, parents, grandparents, siblings and more. The children are the heart and soul of the school and forever continue to make it magical and be the very best SEN school possible.*

*My child is always smiling and excited to go into school. He has a fantastic bond with his teachers and all who support him.*

*My son loves going to Brookfields. He runs in when he is met at the door. At weekends he asks to go to school which shows his love for Brookfields.*

*The school helps me with everything my son needs.*

*Sara and Harry are a fantastic Headteacher and Deputy. They always welcome everyone and always have a smile on their faces. They are always willing to listen to anything anyone has to say to them. All the children are always happy to see them both, they have a fantastic bond with all the children and even all staff and parents too.*

*The school is good at communicating at all levels and caring for each child's needs.*

*The staff are amazing and fully cater for my child's needs. There is excellent care and attention to detail.*

*Brookfields supports my daughter and meets her needs. She has made significant progress since starting.*
