

What's On in Halton: Winter Half Term 2022

In line with government guidance, with the interest of keeping everyone safe and to reduce unnecessary social interaction for the Winter Half Term, ADDvanced Solutions Community Network has decided to deliver all our offer online. We have an offer to support children, young people, families and professionals in the Halton area.

Our online offer is delivered using Zoom for Healthcare. If you are using a phone, you will need to download the Zoom app beforehand. The details we request are kept securely and used in line with our privacy policy:

<https://www.addvancedsolutions.co.uk/policies/privacy-policy.html>

If you are accessing our online offer using your mobile phone, please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.

Online Community Network Groups

Community Network Groups provide a discussion based opportunity to develop your understanding around neurodevelopmental conditions (NDCs), to ask questions and share learning and experience. You can talk to other parents, the ADDvanced Solutions team and **visiting professionals** who can help and support you.

Our Community Network Groups for this half-term will be running online.
